

# GOOD FRIDAY

## YOU'RE INVITED

### A journey with Jesus and those closest to Him.

Join us anytime from 3:00pm to 8:00pm on Friday, April 2nd for a deep look into the elements, ideas, and objects from Jesus' journey to the cross. These elements help us understand that we are not troubled guests in this world, that we are not forgotten and that Jesus expressed the good news of this season best when he said, "In this world you will experience trials, but take heart, I have overcome the world." Join us for a time rooted in prayer for what the season holds.
